When/where students are assessed:	End of semester students have completed all foundation coursework and Generalist field placement requirements/online administration
Who assessed student competence:	SWEAP administrative team (service purchased by UT College of Social Work for students)
Outcome Measure Benchmark (minimum score indicative of achievement) for Competencies 1-9:	Individual multiple-choice items clustered around 9 curricular areas with each cluster representing one of the nine 2015EPAS core competencies; each competency cluster consists of 5-7 individual items. "Exceed competency" is defined as answering more than 50% of the total number of a cluster's questions correctly.
Competency Benchmark (percent of students the program expects to have achieved the minimum scores, inclusive of all measures) for Competencies 1-9:	80% of students will "exceed competency"
Assessment Measure #2 for Generalist: Foundation/Generalist Field Evaluation	
Dimension(s) assessed:	Values; Cognitive & Affective Processes; Skills
When/where students are assessed:	End of Generalist/Foundation Field Placement/Field Agencies
Who assessed student competence:	Field Instructor (in consultation with student)
Outcome Measure Benchmark (minimum score indicative of achievement) for Competencies 1-9:	Aggregate student score indicating "competence" or "advanced competence" for each program competence (assigned ratings for individual practice behaviors associated with each of the nine 2015EPAS core competencies using 4-point scale; competency-level scores determined by calculating a mean score for each competency based on field instructors' ratings for the corresponding set of practice behaviors. All practice behaviors associated with a competency are weighed equally in calculation of the mean.)
Competency Benchmark (percent of students the program expects to have achieved the minimum scores, inclusive of all measures) for Competencies 1-9:	80% of students will receive a rating of "competence" or "advanced competence"
