FULL TIME PAID WORK EXPERIENCE

2017 – 2020

a) Programme Officer, Tata Institute of Social Sciences, Centre For Excellence in Corporate Social Responsibility

- Technical and Research Support Team member of TISS Assessment & Empanelment Standards of Development Institutions in India (AESDII) for programmatic due diligence of Not-For-Profit Organizations.
- CSR project proposal evaluator of Central Public Sector Enterprises (Government of India) and Not-For-Profit Organizations.
- Project Lead of Corporate Social Responsibility (CSR) projects of Rail Vikas Nigam Limited (RVNL) a Mini-ratna (category 1) Central Public Sector Enterprise (CPSE) under the Ministry of Railways, Government of India.

Completed Research Projects:

- **Sujaya Foundation NGO (Mumbai):** *Impact Assessment of Experiential Learning Program (ELP) of Sujaya Foundation a mixed method study. Launched in 2008, the Experiential Learning Program (ELP) trains differently abled youths in computer skills and offers them an opportunity to experience a work-like environment.*
- **Rail Vikas Nigam Limited (RVNL):**
 - a) Impact Assessment of newly constructed Community Toilets (CSR Project) a qualitative study, built under the mandate of Swachha Bharat Abhiyan, Ministry of Drinking Water and Sanitation, Government of India.*
 - b) Research Documentation Project (Media) of RVNL's CSR activities: An audio-visual documentation of the CSR activities of RVNL across India.*
- **Eastern Coalfields Limited (ECL, a subsidiary of Coal India Ltd):** *Impact Assessment of CSR Projects a qualitative study, addressing the needs of the indigent communities residing in the coal mining areas of West Bengal and Jharkhand.*

- **Oil & Natural Gas Corporation Limited (ONGC):** *Impact Assessment of Mobile Medical Units (a CSR Initiative of ONGC), addressing health disparities in rural areas of India, a mixed method study.*
- **Tata Power Delhi Distribution Limited (TPDDL):** *Rapid Assessment of CSR projects and Strategy paper for Importance of Evidence and Results based CSR Projects.*
- **Cotton Corporation of India Limited (CCIL):** *Impact Assessment of Cotton Plucking Machines provided to small scale farmers for cotton cultivation, a mixed method study.*
- **Akshaya Patra Foundation:** *Impact Assessment of Akshaya Patra's Mid-day Meal (MDM) Program to understand the outcomes that the program has generated thus far in select schools across India, a mixed method study.*
- **Baseline Survey of Wockhardt Foundation:** *Baseline survey of health care needs of people across seven Aspirational Districts in India for Implementation of Basic Primary Health Care Services in remote areas, a mixed method study.*

January 2020 – March 2021

b) United Way India; Associate Manager - Operations

Roles & Responsibilities:

- Project Lead of Ongoing Projects of United Way India
- Scaling up evaluation of current and potential Centers of Excellence in thematic areas of Health, Livelihood, Environment & Sustainability and Gender.
- Monitoring & evaluation of ongoing projects.
- Scouting for new Centers of Excellence
- Not-For-Profit Organization proposal evaluations as per their requirements.
- Creation of central Not-For-Profit Organization database across the network.
- Creating SOPs/templates for Impact assessment, Reporting, Project Proposal, Proposal summary.
- Improve due diligence format to enable a seamless experience to the NGOs
- Programmatic liaising with United Way World-Wide team in USA

Ongoing Projects:

- **United Way India COVID-19 Healthcare Response across India:** *United Way India has converged with several corporate partners to address the shortage of hospital equipment, refurbishing hospital infrastructure and protective gears at designated COVID-19 hospitals across the country. This intervention has helped in reviving the trailing health care infrastructure in government and private hospitals dedicated for COVID-19 treatment by leveraging the supply of infrastructure and injecting better preparedness to tackle the rush of cases and instilling curative measures in the target hospitals.*
- **United Way India Hungry- No-More Campaign:** *United Way India (UWI) came up with the 'Hungry No More' campaign to support people in need with two square meals a day. Adhering to utmost hygienic and safety protocols, the United Way India has initiated its relief work by providing food kits to the marginalized and low- income segment of the society comprising of daily wage workers, migrant laborers, construction workers, homeless pavement dwellers etc.*

FIELD WORK/INTERNSHIP

August 2015 - November 2015

- 4 months of concurrent Field Work with AIDE - et – ACTION, South-East Asia : I have worked on imparting employable skill training and entrepreneurship promotion for distinct different economically & socially backward target groups of youths living on the riverside of the embankment in Assam; relatively less educated daily wage laborers.

February 2016 – March 2016

- 1 month of block Field Work with Amarlata Gramin Seva Foundation: I have worked with the rural communities on uplifting their health status using preventive methods and conducted awareness camps on various health issues.

August 2016 – September 2016

- 1 month of block Field Work with Child In Need Institute (CINI): I focused on educating women belonging to indigent communities especially pregnant and lactating mothers, addressing a variety of determinants of malnutrition in children, adolescents and pregnant women.

May 2016

- 15 days of block Field Work with Seven Sister's Development Assistance (SESTA): I completed 15 days rural practicum at Seven Sister's Development Assistance (SESTA) working in the rural areas of Bongaigaon (lower Assam) for enhancing the standard of living among the rural poor by promoting and introducing micro-financing through self-help groups.

February 2017- March 2017

- 1 month of block Field Work with Ghar Bachao Ghar Banao Andolan (Mumbai): I worked with Ghar Bachao Ghar Banao Andolan (GBGBA) a people's movement that emerged in the backdrop of massive slum demolitions in Mumbai in 2003–04 which is a part of the National Alliance of People's Movements (NAPM) and is led by renowned social activist Medha Patkar, founder of Narmada Bachao Andolan.

MASTER'S THESIS

“Lived Experiences of Women In Sex Work ” *A qualitative study at Sonagachi, West Bengal.* - This study examines the lived experiences of women in sex work which begins with narratives of experiences from their early ages and comes all the way to their present status. Proxy variables such as (violence, financial challenges, stigma and living conditions) have been used to understand how these variables shaped their lives making all the way till present date. The duration of this study was over a period of twelve months.
